

## THE BARRON'S ROUNDTABLE—PART 3

### An Annual Gathering of Market Superstars

Barron's editors sit down with some of the best-known stock-picking legends of Wall Street. They give their macro views on the prospects for stocks, bonds, U.S. economic growth, developed and emerging markets, and they explain the investing themes they're betting on in 2016. Plus, panelists name their picks and pans for the coming year. The Roundtable prepares readers to prosper in the year ahead.
